If selling a beat through beatstars containing Miguel.b' samples you are required to split percentage equally with Miguel.b. (Beatstars name is above)

if a record is placed using the sample(s), the publishing rights and masters (royalties) will be split equally between Miguel.b & the producers involved on the record. Also credit must be issued to Miguel.b plus the producer(s) involved on the loop.

if a non major/major label or independent artist offers an advance or flat-fee for the production which uses the sample(s), an equal split must be given to Miguel.b.

you must always credit (Prod. Miguel.b x "Your Name)" or if applicable, include any other collaborators on the loop

all contents in this folder are owned by Miguel.b (and if applicable any other collaborators on the loop).

Ignorance or failing to read this text document is no excuse/exception to the consequences of legal action taken.
